

# CAN AN IMAGE RELOCATE?

Tune: **GOD'S IMAGE** 7.7.7.7D

Melody: William L. Wallace

Harmony: Colin Gibson

1.Can an im - age re - lo - cate or for -  
2.In the best of He - brew thought sa - cred  
3.Must God die with this de - mise? Not if  
4.God with - in and yet be - yond, God of

3

ev - er must it stay in the mind where once it lived through the  
space was im - age free, emp - ti - ness filled all the place where the  
im - ag - es can move from an ail - ing dy - ing world to new  
all the cos - mic ways, you with rev' - rence we a - dore with our

7

past and still to - day? Must the im - ag - es be  
carv - ings could not be. Where we thought that God once  
realms of Cos - mic love. We are called to rev' - rence  
songs of joy - ful praise. May we move on un - a -

10

tied to a home a - bove the skies Or can  
dwelt lies a home in dis - re - pair as the  
now that great cos - mic ho - ly One through ex -  
fraid to new thought we cease to scorn thought that

13

im - ag - es be freed to pre - vent their slow de - mise?  
an - cient dream - y worlds all de - cay and dis - ap - pear.  
pand - ing ways of thought that we now have just be - gun.  
her - alds ma - ny ways our new think - ing has been. born.
